

Kansas law requires each voter to provide photographic identification before receiving a ballot. An exemption is provided for persons whose religious beliefs prohibit photographic identification. Any person seeking an exemption must complete this form and submit it to the Secretary of State or to the county election office in the county where the voter is registered.

The nature of my religious beliefs is described below:

[illegible]

## Date (MM/DD/YY)

Date (MM/DD/YY)

See the back side of this form for county election office contact information.

|                                                                                                                         |                                                                                                                           |                                                                                                                          |                                                                                                                         |                                                                                                                                   |                                                                                                                             |                                                                                                                                                         |
