

V Education and Research Environment

3 Full-time Faculty Research Funds

(Table 20)

College / Graduate School	Total Amount (A)	Total Amount (B) (Excluding Joint Research Expenses for Lectures, Offices etc.)	Number of Full-time Faculty (C)	Amount per Faculty Member ① (A/C)	Amount per Faculty Member ② (B/C)	Remarks
College of Asia Pacific Studies	14,700,000	14,700,000	53	277,358.5	277,358.5	Individual Research Materials Fund: Amount 200,000 yen per year per person. Applicable for professor, associate professor, assistant professor, assistant professor (Jokyo), specially appointed faculty member and specially employed faculty member.
College of International Management	11,250,000	11,250,000	40	281,250.0	281,250.0	Individual Research Materials Fund: Amount 200,000 yen per year per person. Applicable for professor, associate professor, assistant professor, assistant professor (Jokyo), and specially employed faculty member.
Center for Language Education	2,400,000	2,400,000	75	32,000.0	32,000.0	Individual Research Materials Fund: Amount 200,000 yen per year per person. Applicable for professor, associate professor, assistant professor, and assistant professor (Jokyo)
Educational Development and Learning Support Center	2,700,000	2,700,000	10	270,000.0	270,000.0	same as above
Total	31,050,000	31,050,000	178	174,438.2	174,438.2	

Notes:

1. Complete this table based on data for AY2018. Enter AY2018 data for "Number of Full-time Faculty" (excluding Assistants).
2. Include the research funds allocated per department or research institute in Total Amount (A), but exclude indirect expenses (utilities, personnel expenditures etc.). Also, do not include competitive research funds.
3. Regardless of whether they are referred to as lab research funds, personal research allowances or any other term, enter ordinary expenses allocated for the sake of individual faculty member research (i.e., book expenses, equipment expenses, consumable expenses for research, remuneration for part-time workers etc.) in Total Amount (B).

[University Notes]

1. "Number of Full-time Faculty (C)" is the cumulative total number of faculty employed in both the spring and fall semesters.
2. As per university regulations, Lecturers in the Center for Language Education are not eligible for payment (but they are included in the number of full-time faculty).
3. Regarding the one specially-appointed faculty member in the Center for Language Education, educational development program allowances are disbursed instead of individual research allowances. (These are not included in the research allowances above.)
4. One specially-appointed faculty member in the Education Development and Learning Support Center is a full-time faculty member, but he/she is not eligible for payment of a personal research allowance or an educational development program allowances. (He/she is only included in the number of full-time faculty above.)
