Notes:

- 1 Enter data at the college or graduate school (or other organization) level.
- 2 Enter the actual amount issued for each academic year.
- 3 Research expenses in this table include research travel expenses.
- 4 “Competitive Research Expenditure” refers to budgeted research expenditure for competitive purposes (so-called internal Grants-in-Aid) that have been issued following an application-based review and regardless of whether the research consist of individual or joint research.
- 5 If a Grant-in Aid for Scientific Research has been secured jointly with an external researcher, even if the principal investigator is a full-time faculty member, do not enter the full amount, but enter the amount after the allocation to the external researcher has been subtracted.
